PRODUCT DATA SHEET

Pom Poms (Oil Only)

DESCRIPTION & APPLICATION

- Viscous moppets offer an effective method to deal with the recovery of viscous or weathered crudes.

FEATURES & BENEFITS

Item #	Quantity per Rope	Rope Length
TXB-PomPom	30 pom poms per rope	50’

- Each viscous moppet consists of an approximate ½ lb. cluster of oleophilic fibers which attract oil and reject water.

ABSORBENCY CAPACITY

- 1 lb. of viscous moppet fibers can recover approximately 25 lbs. of crude at 70°F (lower temperatures will increase recovery rate).

PACKAGING

- Each 50’ rope with 30 pom poms packaged in a bag
- 35 bags per pallet
- Waterproof packaging
